

WARRIORS OF HOPE

Fundies Charity Project

22 June 2022

Warriors of Hope is excited to partner with Fabric8 to provide fundies to children at the Red Cross War Memorial Hospital.

The purpose of this initiative is to ensure that the children have a fresh set of underwear as and when needed.

By spreading a little hope, showing a little love, giving a little strength and keeping the faith, we can bring joy to our little patients.
