Printing Instructions

1. Start by only printing the first page of the pattern with the 2 inch by 2 inch & 3cm by 3cm blocks at the bottom.
2. Ensure that your printer is set to print 100%.
 - a. Make sure you haven't selected "Print Entire Image" or "Fill Entire Paper" - this will make your sizing incorrect.
 - b. You must scale the page to 100%.
3. Measure the 2 inch by 2 inch & 3cm by 3cm blocks with a ruler once it's printed and make sure that the size is correct before printing all of the pages.
4. If everything is correct, print all pages at 100% scale.
5. Stick your pattern together and cut it out.

Instructions: Kiddies Undies

Step 1:

- Lay your back piece on top of the front piece, right sides together. Take your gusset lining, wrong side facing up and match the raw edges at the crotch. Stitch in place, making sure you get all three layers.

Step 2:

- Baste your gusset lining to the front piece, making sure to cover the crotch seam.

Step 3:

- Lay your front piece on top of your back piece, right sides together, matching up the side seams. Sew/ serge in place.

Step 4:

- Fold your waist band in half, right sides together. Sew the short raw edges. Repeat with the leg hole bands.

Step 5:

- Take your bands and fold them in half, wrong sides together and press. Find the center front by folding in half at the seam and mark with a pin. The sewn seam will be center Back. Repeat with the leg bands.

Step 6:

- Find the center front and center back of your waist, by matching the two side seams and mark center front and back. Match the center back of your waistband to the center back of your waist. Pin in place. Repeat with the center front. Stretch the waistband to evenly distribute the waist fabric with the waistband. Pin as you go. Sew or overlock in place

Step 7:

- Find the center of the leg hole by folding the leg hole at the side seam, making sure not to stretch any of the fabric. Mark with a pin. Match the seam of the leg band with the side seam of the panties and pin. Slightly stretch the leg band to evenly distribute the leg hole fabric with the leg band. Pin as you go. Sew/ serge in place.

Step 8:

- Press the bands to help shape them.
- OPTIONAL: Topstitch the bands in place using a stretch stitch or zig-zag stitch.
