Printing Instructions

1. Start by only printing the first page of the pattern with the 1 inch by 1 inch & 2cm by 2cm blocks at the bottom.
2. Ensure that your printer is set to print 100%.
 - a. Make sure you haven't selected "Print Entire Image" or "Fill Entire Paper" - this will make your sizing incorrect.
 - b. You must scale the page to 100%.
3. Measure the 1 inch by 1 inch & 2cm by 2cm blocks with a ruler once it's printed and make sure that the size is correct before printing all of the pages.
4. If everything is correct, print all pages at 100% scale.
5. Stick your pattern together and cut it out.

- **Step 1: Strap**

- Iron fusible batting to the wrong side of the strap outer fabric.
- Place the strap lining and strap outer fabric right side to right side. Sew around, leaving bottom straight side of strap unsewn.
- Trim down your seam allowance to reduce bulk. Turn out strap and iron neatly.
- Mark KAM snap placements from pattern on strap. Insert KAM snap here.

- **Step 2:**

- Iron fusible batting to the wrong side of the outer fabric.
- Now place lining and outer fabric right side to right side, pin one long side and sew at 1cm seam allowance.
- Trim down your seam allowance to reduce bulk. Fold open and iron seam neatly.

- **Step 3:**

- Place right side up on the sewing table. Mark hanging strap placement on lining side.
- Now to add the hanging strap.
- Using 1cm seam allowance, stitch the flap outer fabric up to lining right side up at strap placement mark. Trim down seam allowance and flip over and top stitch in place.

- **Step 4:**

- Now place whole open piece flat right side up on workspace.
- Fold in half matching lining corner to lining and outer fabric corner to outer fabric. With other words outer fabric fold onto itself, and lining folding onto itself.
- Pin and sew all around leaving a turn out hole on lining short side. Trim seam allowance and corners.

- **Step 5:**

- Now we have to box the corners of outer and lining. See video tutorial on how to do this. Trim box corners to reduce bulk.

- **Step 6:**

- Using turn out hole, turn right side out.
- Sew the turn out hole in lining closed. Tuck the lining in.
- Top-stitch the top edge all around. Fold over the top and iron.
